Disclaimer COVID 19 EN: The action taken by governments in relation to the ongoing COVID 19 Pandemic Disease is certainly a limiting factor. However, life will continue and sooner or later travel restrictions will be lifted. We expect a smart lifting of travel restrictions for Germany, Austria, Switzerland starting June onwards and on international level starting September onwards. Therefore, all planning's are subject to evaluations and decision making up to 4 weeks before the first intended travel date.

Disclaimer COVID 19 GER: Haftungsausschluss COVID 19: Die Maßnahmen der Regierungen in Bezug auf die anhaltende COVID 19-Pandemie sind sicherlich einen Begrenzungsfaktor. Das Leben wird jedoch weitergehen und früher oder später werden die Reisebeschränkungen aufgehoben. Wir erwarten eine intelligente Aufhebung der Reisebeschränkungen für Deutschland, Österreich, Schweiz ab Juni und international ab September. Daher unterliegen alle Planungen Bewertungen und Entscheidungen bis zu 4 Wochen vor dem ersten geplanten Reisedatum.
